# INDORSE TAFT AND

Health Officer Warns Parents Nebraska Republicans Adopt Pacific Platform—Local Option Indorsed.

LINCOLN, Neb., July 27 .- The convenof vital statistics made public today tion of the republican party of Nebras-Health Officer Woodward has taken oc- ka yesterday adopted a platform strongcasion to voice a warning to parents ly indorsing the administration of against the dangers of whooping cough, President Taft, expressing unalterable and emphasizing the importance of con- opposition to the "system known as tinuous and proper treatment for chil- Cannonism," and hearty sympathy with the "insurgent" movement in and out

The platform includes a declaration trivial affection." said Dr. Woodward in for county option as the method of reghis indorsement on the health report, ulating the liquor traffic and for an and a physician may not be consulted amendment to the state constitution providing for direct legislation. These resolutions were not adopted without meeting strong opposition, both cations which may result therefrom must in the resolutions committee and upon

there were no votes to spare in the committee for county option, the vote in its favor in the convention was over-

### Standpatter Elected Chairman.

As a general proposition, it had been understood the indorsement of the "While whooping cought is required by county option and of "insurgency" were law to be reported to the health officer supported by the same people. In congo on the streets, provided he or she convention at noon, United States Senagoes or is carried in such a manner as tor Norris Brown, a "standpatter," was not to expose other persons to infection. chosen permanent chairman over Repphysician when a member of the family in "insurgency," by an overwhelming has a cough, and to take care that no vote, the rank and file of the "county of their pet resolution.

It developed, however, that while compromise is admitted by either side, there was a conference the night before, at which Senator Brown assured the "opwhooping cought were re- tionists" of the character of the resoluported during the week, increasing the tions committee he would appoint if he The committee of seven appointed by him included three in favor of county several patients were removed from the option, three in favor of the present law, list of whooping cough sufferors, having and one in favor of the submission of a state-wide prohibition amendment. The During the week there were 139 deaths, last-named member finally voted for the

> A minority report opposing such a resolution was defeated in the convention,

#### Senator Brown's Address.

In assuming the temporary chairmanship, Senator Brown spoke only along week shows a very high mortality among general political lines, making no refchildren, the deaths having been particu- erence to the questions uppermost in the larly numerous among little sufferers minds of the delegates—the indorsement from diarrheal diseases. A total of 38 deaths were caused by diseases of the of the "insurgency" of some of Nebrason ka's congressmen and the county on plan of regulating the liquor traffic one has even pretended that that act was perfect. Its warmest friends have always admitted its imperfections. But contagious diseases were observed during notwithstanding its imperfections, with Diphtheria had but one new case | the information Congress had at the time. it was a better law than the law it superseded and is entitled to the commendation and support of the American fever cases were reduced from thirty- people as a step toward the relief of the public from the duties of the Dingley "I am glad to say," he continued, "the charged as recovered, leaving one still entire Nebraska delegation in Congress, those splendid fighting, courageous and pregressive republicans in the House-Kinkald, Norris and Hinshaw, and your two senators, voted for the law. They Reportable forms of tuberculosis were did it because it is a better law than the

### Resolution by Norris.

Near the close of the convention Representative Norris offered the following

"Every protest against wrong is 'insurging' for the right. We are unalterably opposed to the system known as from thirty-two to thirty-three. Six new pathy with the insurgent movement in cases were registered and five were dis- and out of Congress. We urge our senators and representatives to make use of their votes and influence along progressive lines in the future.' There was a storm of protest when the resolution was presented, but when put to vote it was adopted.
